ARTS, FESTIVALS AND EVENTS

7. Arts Fund - Approval of Concepts

Document number R4133, agenda pages 16 - 22 refer.

Manager Community Partnerships, Shanine Hermsen, presented the report.

There was a discussion regarding not being able to visually review the artworks which made it difficult to approve or decline the six concepts. It was highlighted that it was the Committee's responsibility to consider the nature of the works and not their artistic merit.

In response to a question, Ms Hermesen said the funding for these artworks had already been approved as part of the 2014/15 budgets and due to a tight timeframe these needed to be approved or declined.

There was a concern raised about the process for artworks and it was suggested that other funding providers should be considered as well as working in partnership with other organisations.

Group Manager Community Services, Chris Ward, advised that projects would be allocated some funding through the Arts Panel. He added that officers would not be taking a proactive approach to engage with other funders and that officers would be working with Arts Council Nelson for opportunities in relation to artworks.

In response to a question, Ms Hermesen indicated that the majority of the artists were local and that Council's Arts Selection Panel consisted of Andrew Petheram, Nic Foster, Caroline Marshall and Julie Catchpole.

There was a concern raised about costs and instalment, and it was suggested that for kinetic artworks, noise and glare needed to be considered.

In response to a question, Ms Hermesen confirmed the artworks still had to be consulted on and would go through the normal resource consent process.

It was discussed that the Arts Panel had the necessary expertise to progress with the proposed projects as they saw fit.

Resolved CS/2015/004

THAT the report Arts Fund - Approval of Concepts (R4133) and its attachments (A1338048) be received;

AND THAT the following concepts for possible artwork are approved;

- **Hinake**
- **Rock Hoppers**
- **Rocks in the Sky**
- **Sails**
- **Stack**
- **Welcome Cloak**

AND THAT the approved concepts are further considered by Council's Arts Selection Panel for commissioning from the Arts Fund.

8. Council CCTV Provision

Document number R4130, agenda pages 23 - 25 refer.

Manager Community Partnerships, Shanine Hermesen, presented the report.

There was a discussion in relation to having mobile Closed Circuit Television (CCTV) cameras which could be placed at a number of locations and not restricted to only Victory Square.

Group Manager Community Services, Chris Ward, advised that the rationale behind installing cameras was that they were connected directly to the Police Station. He added that if the cameras were mobile technical issues would likely incur.

In response to a question, Ms Hermesen advised the \$3,500 related to the annual lease and maintenance costs for the cameras.

It was noted that in section 1.1 of the Officer's report the date was incorrect and should be 2014 instead of 2015.

Resolved CS/2015/005

THAT the report Council CCTV Provision (R4130) be received;

AND THAT the Committee endorse the provision of \$3,500 in each of 2016/17 and 2017/18 for the ongoing operational costs of the CCTV cameras installed at Victory Square;

AND THAT any subsequent requests for CCTV cameras are considered on a case by case basis and should meet the criteria as set out in this report (R4130).
