
Minutes of a meeting of the Nelson City Council

**Held in the Council Chamber, Civic House, 110 Trafalgar Street,
Nelson**

On Thursday 8 September 2016, commencing at 9.06am

Present: Her Worship the Mayor R Reese (Chairperson), Councillors L Acland, I Barker, R Copeland, E Davy, K Fulton, M Lawrey, P Matheson (Deputy Mayor), B McGurk, G Noonan, P Rainey, T Skinner and M Ward

In Attendance: Chief Executive (C Hadley), Group Manager Infrastructure (A Louverdis), Group Manager Community Services (C Ward), Group Manager Corporate Services (N Harrison), Senior Strategic Adviser (N McDonald), Manager Communications and Acting Manager Libraries and Heritage Facilities (P Shattock), Manager Administration (P Langley), Administration Adviser (S Burgess), and Nelson Youth Councillors (J Lankshear and T Shuker)

Opening Prayer

Councillor Noonan gave the opening prayer.

1. Apologies

There were no apologies.

2. Confirmation of Order of Business

Her Worship the Mayor advised the order of business may need to be adjusted as the meeting proceeded. She advised of several additional public forum presentations.

3. Interests

There were no updates to the Interests Register, and no interests with items on the agenda were declared.

4. Public Forum

4.1 Harry Pearson

Mr Pearson provided a handout (A1624719) and presented the key points regarding the Stoke Community Centre, stakeholders, the removal of free tennis courts, opposition to the proposal, and costs of heating and cooling.

Mr Pearson summarised discussions with users of the tennis courts, many of whom he said were not in favour of the Stoke Community Centre proposal. He suggested Council could be forward thinking and include facilities such as a vehicle charging system. Mr Pearson emphasised his belief that Council should not rush decisions regarding the proposed facility and instead ensure the facility met the needs of the community and had the best energy solutions.

4.2 Mr John Lacey

Mr Lacey asked whether there were trustees that could be pursued for the Everyman Records debt. He then spoke about the rounding up of Council rates and asked why errors in this process had not been noticed by Council officers.

4.3 Trudie Brand - Nelson Residents Association

Trudie Brand, of the Nelson Residents Association, gave a PowerPoint presentation about the Modellers' Pond (A1624803).

Ms Brand supported the recommendation in the officer report 'Modellers Pond – Fundraising Status' on the Council agenda for the meeting. She summarised background detail regarding the Modellers' Pond, and questioned previous Council decisions regarding funding for the Pond. Ms Brand highlighted the potential of the Pond to create social cohesion and family memories.

In response to a question, Ms Brand said the Nelson Residents Association supported Council funding the Modellers' Pond as it was a unique and accessible area for the community.

4.4 Cathy Fearey and Jim Tompkins (Vice President), Stoke Tennis Club members representing small group of players

Ms Fearey said that a group of players at the Stoke Tennis Club were not in favour of the proposed Stoke Community Centre. She suggested the location was not suitable and there could be further project budget overruns. Ms Fearey said she did not support the removal of the free public tennis courts, but did support an upgrade of the Tennis Club facilities and the Stoke Memorial Hall.

Ms Fearey suggested that Council was rushing to make a decision on the matter, and there was a large silent majority who opposed the proposal. She tabled a petition (A1625317) and newspaper article (A1625318).

Mr Tompkins reiterated Ms Fearey's key points and raised concerns about who would be using the additional carparking at the proposed facility.

4.5 Richard Waite (President) and Pauline Smith (Club Captain), Stoke Tennis Club

Mr Waite provided background detail regarding the Stoke Tennis Club and its processes in terms of electing a Committee, and tabled a related document (A1625336). He said that members of the Club had not advised the Committee that they opposed the Stoke Community Centre, although he had heard about some local opposition to the project. Mr Waite said he supported debate on Council funding for projects.

Ms Smith provided further background detail on the Club and Committee, and the process of providing feedback on the proposed facility. She noted there was some general division amongst members of the Club.

In response to questions, Mr Waite and Ms Smith explained how members of the public could use the Club's tennis courts for a fee, and how Club members had been advised of plans for the facility via various means.

Attendance: Councillor Copeland left the meeting at 10.12am.

4.6 Allan Johnson (Chairman of Board of Trustees), Stoke Seniors

Mr Johnson spoke about Stoke Seniors, its activities and how it was funded.

Attendance: Councillor Copeland returned to the meeting at 10.13am.

Mr Johnson spoke about the need for Stoke Seniors to have access to better facilities. He said that Council consultation regarding the Stoke Community Centre had been carried out very well. Mr Johnson urged Council to view the Stoke Community Centre on its merits and proceed with the project as he believed it would meet the needs of various community groups.

4.7 Kim Biggs, Stoke Rugby Club

Ms Biggs said the Club supported the Stoke Community Centre proposal and noted that Council had been in discussions with the Stoke Rugby Club on the matter for many years. She pointed out that the current Greenmeadows facilities were inadequate for the region. Ms Briggs said she had been impressed with consultation regarding the facility to ensure it would be fit for purpose. She provided detail on membership at the Club.

Ms Briggs suggested the facility would bring community groups together, and emphasised that the project should not be delayed.

Attendance: The meeting adjourned from 10.26am to 10.28am.

4.8 Keegan Phipps

Keegan Phipps gave a PowerPoint presentation (A1624674) on his experience of being a member of the Youth Parliament and his ideas for supporting and developing youth in the region. He spoke about the difficulties of youth seeking employment in Nelson, and therefore moving out of the region, and emphasised the need to address this issue.

Mr Phipps spoke about protection of the environment, Council rates and debt, engagement with youth, and online voting. He responded to questions from councillors regarding the concept of a Youth Mayor.

Attendance: The meeting adjourned from 10.47am to 11.01am, during which time Councillor Lawrey left the meeting.

The meeting moved to consideration of the Mayor's Report.

Attendance: Councillor Lawrey returned to the meeting at 11.03am.

Bill Findlater, Gail Collingwood, Ferry van Mansum and Jordan Lankshear joined the table. Mr Findlater provided detail on the trip to Huangshi to attend the opening of the Nelson Garden. The group provided a PowerPoint presentation (A1625296) and thanked Council and the China Friendship Society for its support.

The meeting agreed to leave the remainder of the Mayor's Report to lie on the table, and move to consideration of item 8 on the agenda 'Modellers Pond – Fundraising Status'.

6. Modellers Pond - Fundraising Status

Document number R6456, agenda pages 52 - 56 refer.

Capital Projects Contractor, Richard Kirby, and Major Projects Engineer, Darryl Olverson, presented the report.

In response to questions regarding potential other uses or configurations for the Modellers' Pond space, Mr Kirby emphasised that alternative uses would only be considered if the Society was unable to organise adequate funding to modify the Pond. He advised Council that the Society believed it could reach the funding target of \$600,000.

In response to questions, Mr Olverson confirmed there was adequate funding budgeted to continue managing the Pond over the coming summer. He said there would be adequate time to prepare a proposal for the Annual Plan 2017/18 if the officer recommendation was passed.

Councillor Davy, seconded by Councillor Ward, moved the recommendation in the officer report.

Several councillors questioned the significant level of funding that Council had asked the Society to raise. The majority of elected members supported the motion, noting that it was reasonable to extend the funding timeframe for the Society.

Attendance: Councillor Copeland left the meeting from 11.40am to 11.42am.

Resolved CL/2016/240

Receives the report Modellers Pond - Fundraising Status (R6456);

Amends clauses 4 and 7 of the Council resolution passed on 24 March 2016 as follows:

AND THAT The Nelson Society of Modellers be afforded the opportunity to finalise and confirm additional funding for the balance over and above the \$600,000 committed by Council no later than the end of ~~September 2016~~ February 2017;

AND THAT Council confirms that should the additional funding not be raised by the Nelson Society of Modellers by the end of ~~September 2016~~ February 2017, that it be agreed that the option to convert the pond back to estuarine environment at an

estimated cost of \$690,000 be its second option and included in the 2017/18 Annual Plan;

Resolved CL/2016/241

Receives the report Stoke Community and Sports Facility - Supplementary Information (R6526) and its attachments (A1351796 and A1528009).

Ward/Noonan

Carried

Manager Capital Projects, Shane Davies, Group Manager Community Services, Chris Ward, and Major Projects Engineer, Darryl Olverson presented the report.

Attendance: Councillor Lawrey left the meeting from 11.57am to 11.59am. Councillor Acland left the meeting from 11.59am to 12.02pm. Councillors Davy and Copeland left the meeting from 12.01pm to 12.03pm.

Mr Ward spoke about the investment of having a well-insulated facility to reduce ongoing heating costs, the need to provide a lift to ensure appropriate accessibility, and the need for security as the facility would be a significant Council asset. He confirmed that these items were included in the current facility budget.

In response to a question, Mr Davies provided further detail about why photovoltaic panels were not suitable for the Stoke Community and Sports Facility, and reiterated that it was more cost-effective to improve the thermal qualities of the building and use an appropriate heating/cooling system.

Elected members asked further questions regarding the potential for a café at the facility, the application of Green Star principles, costs of energy systems, energy consumption, Nelson 2060 goals, and the status of tender rates.

In response to a question, the Chief Executive, Clare Hadley, advised that if the additional funding for the facility was not approved by Council, then the tender for the facility would not be let.

Attendance: Councillor Rainey left the meeting at 12.33pm.

In response to questions about the loss of the public tennis courts, Mr Ward advised that the matter would be considered as part of the Stoke Urban Design Strategy which was under development.

Attendance: Councillor Ward left the meeting from 12.35pm to 12.37pm.
Councillor Rainey returned to the meeting at 12.42pm.

The meeting moved to item 17 of the agenda, the Community Services Committee minutes from 18 August 2016.

8.1 Stoke Community and Sport Facility - Tender Feedback

Councillor Ward, seconded by Councillor Davy, moved the recommendation from the Community Services Committee.

Councillor Lawrey, seconded by Councillor Copeland, moved an amendment to the motion to include:

AND THAT Council seeks expressions of interest in operating a café in the Stoke Community and Sports Facility.

Several councillors indicated support for the amendment as it seemed reasonable to determine if there was any interest in operating a café at the facility.

Attendance: The meeting adjourned from 12.52pm to 12.55pm.

It was noted that further time was required ensure the amendment was worded suitably.

Attendance: The meeting adjourned for lunch from 12.56pm to 1.28pm.

The meeting considered proposed wording from officers for the amendment. The Chief Executive, Clare Hadley, advised that any expression of interest material would be explicit that there was no funding available from Council for the fit out of a café. Officers advised that for clarity, the amendment should clearly reflect that any café would be leased.

The mover and seconder agreed to modify the amendment to:

AND THAT in line with Council consideration on 23 July 2015 and resolution CL/2015/026, Council seeks expressions of interest in leasing a café in the Stoke Community and Sports Facility.

Councillors for the amendment supported the aim of having a café opening alongside the opening of the building. Those against felt it may give the impression that Council would provide the fit out for the café, and noted that the Stoke community and businesses had not asked for a café.

The amendment was put and carried, and became the substantive motion.

Councillors for the motion felt it was money well spent, and the Stoke community had been waiting for development and commitment from Council. A view was expressed that the decision should not be made prior to consideration of the Stoke Urban Design Strategy, and that consultation had not been carried out correctly.

The motion was put and a division was called.

11. Mayor's Report (continued)

The meeting considered the remaining items on the Mayor's Report.

Her Worship the Mayor advised the letter to the Minister for Social Housing and the Minister for Social Development, regarding emergency housing, had been sent on 7 September 2016 and had been acknowledged.

12. Plan Change A3 - Woodburners - Operative Date

Document number R6465, agenda pages 57 - 93 refer.

Environmental Programmes Adviser, Richard Frizzell, and Senior Planning Adviser, Mark Leggett, presented the report.

Attendance: Councillor Skinner declared an interest left the table at 2.33pm.

Resolved CL/2016/247

Receive the report Plan Change A3 - Woodburners - Operative Date and its attachments (A1580627) and (A1601106);

Approve Plan Change A3 Nelson Air Quality Plan - Woodburners (A1580627) as operative on 19 September 2016, pursuant to Clause 20(1) of the First Schedule of the Resource Management Act 1991.

Davy/Ward

Carried

Attendance: Councillor Skinner returned to the table at 2.34pm.

13. Administrative Matters

Document number R6108, agenda pages 94 - 112 refer.

Manager Administration, Penny Langley, presented the report.

A correction was noted to Councillor McGurk's attendance at the 2 June 2016 Planning and Regulatory Committee, as it showed as 'n/a' when he had attended. It was also noted that Councillor Lawrey should show as 'n/a' instead of 'n' for the Nelson Regional Sewerage Business Unit meeting on 24 June 2016.

Resolved CL/2016/248

14. Freedom Camping - redirection of budget provision

Document number R6523, agenda pages 113 - 115 refer.

Attendance: Councillor Barker left the meeting from 2.35pm to 2.37pm.

Group Manager Community Services, Chris Ward, presented the report.

In response to a question, Mr Ward advised that he expected the Freedom Camping Strategy to be presented to Council early in the next triennium.

Attendance: Councillor McGurk left the meeting at 2.41pm.

Concern was expressed that the project to install sinks had been in line with the current behaviour of freedom campers, and there was no policy in place to guide Council to act otherwise.

Attendance: Councillor McGurk returned to the meeting at 2.43pm.

Mr Ward confirmed that, if approved, the signs would be installed promptly, in time for the busy summer season. He spoke about the process to date and summarised consultant advice which had been to not install infrastructure at this time.

Resolved CL/2016/249

Receives the report Freedom Camping - redirection of budget provision (R6523) ;

Approves the redirection of \$10,000 capital expenditure in the Annual Plan 2016/17 for signage targeted at freedom campers (instead of providing two sinks at two locations).

Adopts the four key recommendations in the Campground Review (A1448988) in order to inform the Parks and Reserves Asset Management Plan and to support future lease arrangements. The recommendations are summarised as:

- 1. Council should identify its strategic requirements around the provision of campgrounds and prioritise these.***
- 2. Council should encourage each campground to work with Nelson Tasman Tourism to plan for improved marketing.***
- 3. Each Campground should review its development plans to ensure that facilities are optimised around their target markets.***

4. Each lease should be reviewed prior to renewal, to ensure operators are incentivised to perform well, taking account of social and economic benefits.

- 22.7 Nelson Cycle Lift Society – approval of project plan (continued)

Jo Rainey, Chairman, and John Rollston, of the Nelson Cycle Lift Society, joined the meeting.

Mr Rainey summarised the proposal to develop a world class adventure park in the Fringed Hill area. He said that a fundamental module of this work was to develop a business case for a gondola/lift service. Mr Rainey highlighted that it was too early to engage with potential investors as a robust business case had not been prepared.

Mr Rollston spoke about the need to assess return on investment and feasibility, while also looking at the wider impact on Nelson, especially in terms of visitor numbers and their length of stay.

In response to questions, Mr Rollston said that inclusion of a café/restaurant facility would be an investor decision. He emphasised the aim in developing a business case was to determine if anything major would prohibit the gondola development. Mr Rollston confirmed that if the business case showed no major issues, then the Society would start to look for investors.

In response to questions, Mr Rainey said the Society was aiming to have Stage One of the business case development complete by February 2017. He said the Society had offered to speak with members of the Brook community any time they wished. Mr Rainey confirmed that members of the Society were volunteers. He also clarified that the document would not be a prospectus and was pre-commercial.

Mixed views were expressed by councillors, however the majority of councillors supported the grant due to the project's potential influence on growth in the region.

Resolved CL/2016/266

THAT pursuant to Standing Order 3.12.1, the motion under debate now be put.
