5. Application for street naming of Bills Avenue in the Bishopdale Subdivision

Document number R10017, agenda pages 4 - 7 refer.

Discussion took place regarding the definition of 'Avenue' and possible alternative designations. 'Avenue' and 'Lane' were considered to be misleading due to the terrain of the particular site, the fact that the street was not a through road and with a narrow width. 'Way' was dismissed because it was traditionally used by Nelson City Council for naming private ways. The option considered most suitable was 'Bills Drive' most suitable. The resolution was amended and the motion taken in parts.
