### ‘PURPOSE OF THE FACILITY ’

- In order to prevent a return to the pre-Covid-19 homeless status quo, what was needed was somewhere homeless people could go during the day to use bathroom, laundry, kitchen, dining, and computer facilities.

The purpose of the facility should be guided by those who would be using it.

“Often as agencies we decide what people want without actually discussing with them – in this case we want to go back to the community to ask what they want.”

Financial and technical support has also been offered from Nelson’s Rotary Clubs.

November 2020

- Members of the Nelson's Rotary clubs began the first stage of physical work, which included clearing the site and preparing the foundations for a shed that was on site but is currently unable to be used.

Item 4.1: Nelson Rotary Club - Whare Haumarū Project Update: Attachment 1

The background of the slide features a dark navy blue field. On the right side, there are several overlapping, organic green shapes in various shades of green, ranging from a pale mint to a vibrant lime green. On the left side, there is a solid dark green vertical bar. The text 'Any challenges?' is centered in the dark navy blue area, with a small green circle positioned to the left of the word 'Any'.

Any  
challenges?

## Libraries – New Quarterly Newsletter

**Kia ora Koutou**

Welcome to our new-look Nelson Public Libraries quarterly booklet.

This replaces our monthly newsletter and gives you an insight into what is happening over May, June and July at our three branches. This is a treat to let us know what you think. You'll find information about our school holiday programme, New Zealand Music Month, our favourite non-fiction reads for winter, the Nelson Seed Library and so much more!

I'm passionate about public libraries and their role supporting and connecting communities. We are always keen to learn and grow – so let us know what else you would like to see in the library, on our website or through our outreach services.

As we settle into Autumn, I'm keen to get back into some reading – I'm loving all the digital magazines now available on the Libby app, but also have a growing pile of books sitting on the bedside table. I'm currently reading *Land* by Simon Winchester while my kids devour books like the *Babysitters Club* (yes, it's made a comeback!) and the *Wings of Fire* series by Tui Sutherland.
