The consultation/proposal my submission relates to:

proposal for representation amendments for 2022

My submission is:

local elections: RACIST PURE AND SIMPLE TO BE REJECTED!
So the NCC put out a full page ad in the weekly with its racist proposal for a "Maori" Ward 2 days before submissions are due to the council - OUTRAGEOUS SWEAR! and what very small print. I finally signed a NCC-petition for blood test so that my blood can be compared against the pure Maori blood gene to ascertain whether I have more than the qualifying amount of Maori blood. Q: what is that amount btw? Q: what is the pure genome sample kept? Q: when was it taken and from whom? Q: can we ask for that genome to be returned? Q: is "Maori's" self-certifying identity? Q: or who decides a candidate, it? The whole proposal and similar ones around the country is disgusting, RACIST, improper, a denial of democracy (one person one vote - not my vote is worth more than yours because of my RACE. This RACIST trend will destroy the country and democracy and is to be rejected as strongly as any other Apartheid racist words.

Nelson City Council Public Consultation Submission form

How to make a submission

Remember to have your say – online or in writing. You can make a submission online at the Council's website, nelson.govt.nz, at Civic House, 110 Trafalgar Street, Nelson, or any of the Nelson Public Libraries. More information is available in all these locations, or you can phone 546 0200 to ask for it to be posted.

All submissions will be considered by the Mayor and Councillors before making a decision.

Anyone can make a submission. All submissions, including the names and contact details of submitters, are publicly available, as required by the Local Government Act 2002. Submissions will be used only for the purposes of this consultation process.

Early submissions are appreciated, to help submission processing.

Identify your submission

Please make sure you attach the cover sheet/submission form to any submission you make to assist in tracking submissions. If you choose not to use this cover sheet, please include your name, address and contact telephone number. This is so we can contact submitters who wish to speak at the hearings, and so we can reply to you with the result of Council's deliberations on submissions.

Make it readable

Type your submission if possible, or use black ink and write legibly on one side of paper only. This will ensure the photocopies we make of your submission will be easy to read.

Separate headings

Divide your submission into separate points if you want to comment on more than one part, to help Council understand your submission better. For each point, say specifically to which part(s) your submission relates. Say concisely what your concern is OR what you support. Tell us the reasons why you support or oppose this part, and say how you want the Council to respond to your submission.
