- 4.5 Consultation with the Police has been undertaken and they have given their approval for this event.

Report Title: Road naming for Marsden Park
Report Author: Bernadette Power - Development and Naming Adviser
Report Authoriser: Mandy Bishop - Group Manager Environmental Management
Report Number: R27961

1. Purpose of Report

To approve or decline an application for the names of "Canary Place" and "Cumberland Crescent" for roads within the subdivision development at Marsden Park shown on the attached scheme plan.

2. Recommendation

That the Hearing Panel

1. ***Receives the report Road naming for Marsden Park (R27961) and its attachment (1366331260-217964); and***
2. ***Approves the names Canary Place and Cumberland Crescent for the roads shown on the Scheme plan in attachment RM155023 Marsden Park - street naming scheme plan 10 Oct 23 (1366331260-217964).***

3. Background

- 3.1 The applicant, Wensley Road Developments Limited are progressing a 220 lot subdivision in the Marsden Valley, to date 24 new lots have been completed. Wensley Road Developments Limited wish to apply the theme of naming roads that reflect the early settler life in the area. Canary Place (Road 2) and Cumberland Crescent (Road 6) are the nominated names for two new roads in Stage 5 and 8 within the subdivision development at Marsden Park, shown on the attached scheme plan (Attachment -1366331260-217964).
- 3.2 Council has the authority to name roads, pursuant to Section 319(j) of the Local Government Act 1974. Council has yet to approve a Naming

Item 7: Road naming for Marsden Park

Policy. Officers use the following 2008 draft Road Naming Policy principles/criteria to assess applications:

"7. Principles/Criteria

- 7.1 *Names should not be the same as or similar in sound or written form to road names already in use in the Nelson/Tasman region.*
- 7.2 *Names are not to be the same as or similar to that of any living person, if the first name and surname are to be used as the road name; if only the surname is used, this may be acceptable. Written approval must be obtained from the person the street is named for, or from the next of kin or descendants (as appropriate).*
- 7.3 *If the road is on or near a site of significance to iwi, and if an appropriate Māori name can be identified, the Hearings Panel will seek the advice of iwi over the name.*
- 7.4 *Māori names, if not proposed by iwi, will require the approval of iwi.*
- 7.5 *Names should bear some relationship to the locality, and in the case of a multi-street subdivision, present a theme within the overall development; in the case of a staged development, names should continue the theme for earlier stages on the development. Where new roads are created as a result of other than subdivision activities, they should continue the theme for the locality.*
- 7.6 *Names should be reasonably brief; the length of the name is to be related to the length of the road, i.e. short names for short roads, to avoid cartographic problems.*
- 7.7 *Names are not to be in the possessive case, eg. Hector Avenue, not Hector's Avenue. However, the plural may be an appropriate alternative in certain cases, eg Queens Road.*
- 7.8 *The use of more than one word should be avoided, unless it is of historical significance, e.g. Will Watch Way.*
- 7.9 *The name should not include hyphenated words.*
- 7.10 *The name should be of straightforward spelling and pronunciation, so as to avoid confusion or misunderstanding.*
- 7.11 *The term (ie. road, street, avenue, terrace, way etc) will be based on a definition of terms, set out in Appendix 2."*

4. Evaluation

- 4.1 The road names Canary Place and Cumberland Crescent comply with all the Principles/Criteria of the 2008 draft Road naming policy. There is no

Item 7: Road naming for Marsden Park

street named Canary Place or Cumberland Crescent in the Nelson/ Tasman. Criteria 7.2 is met, 7.3 and 7.4 are not relevant to this application. 7.5 is met, Canary Place and Cumberland Crescent relate to the early settler life of the Marsden family and their home at Isel Park. Canary Island Pines were planted around 1850 and Cumberland was the birthplace of Thomas Marsden. The name lengths are reasonable in relation to the length of the roads, therefore 7.6 is met.

4.2 Criteria 7.7 – 7.10 are also complied with.

4.3 To meet 7.11 the road types need to comply with the Australian/ NZ standard as follows:

5. Alternative names

The applicant provided Tulip Place and Bombay Way as alternative names for Road 2, and Beechwood Crescent and Monterey Crescent as alternative names for Road 6. Tulip continues the Isel Park tree theme, and Bombay is the name of a ship that brought early settlers to the region in 1842. Beechwood and Monterey also relate to trees planted in Isel Park in the 1850's. All alternative names comply with the 2008 draft

Item 7: Road naming for Marsden Park

Road Naming Policy principles/criteria and the Australian/ NZ standard for road types.

6. Options

6.1 The Hearing Panel has three options:
